I'm still learning.

And I'll move on quickly.

Education

Assiut University

I'm still in my fourth year., Education Technology Department

2020 - Present

Education: Bachelor of Science in Educational Technology | Assiut University

Expected Graduation: June 2024

As a fourth-year Educational Technology student at Assiut University, I've consistently earned 'Excellent' grades, reflecting my academic dedication. My coursework has covered essential aspects of educational technology and programming, focusing on integrating technology into education and the basics of C++ and C# programming. This blend of courses has equipped me with a profound understanding of how technology can enhance learning and teaching methodologies.

****Achievements:****

- Sustained an 'Excellent' cumulative GPA over three years, demonstrating academic excellence.

****Future Goals:****

I am eagerly continuing my educational journey, aiming for further academic and professional achievements in educational technology.
